

HISTOCORE WATER BATH

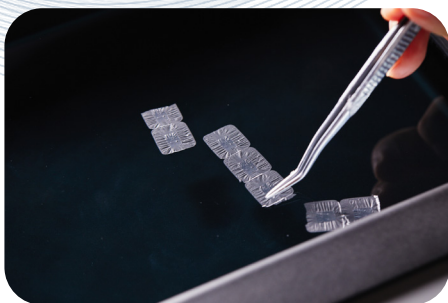

HISTOCORE SLIDE DRYER

MAKE YOUR SLIDES FLOATING AND DRYING EASIER

HistoCore Water Bath:

- Detachable water tray
- Black water tray and LED illumination help to easier identify floating sections
- Special treatment improves tray durability
- The OLED touch panel with an intuitive user interface controls both water bath and slide dryer

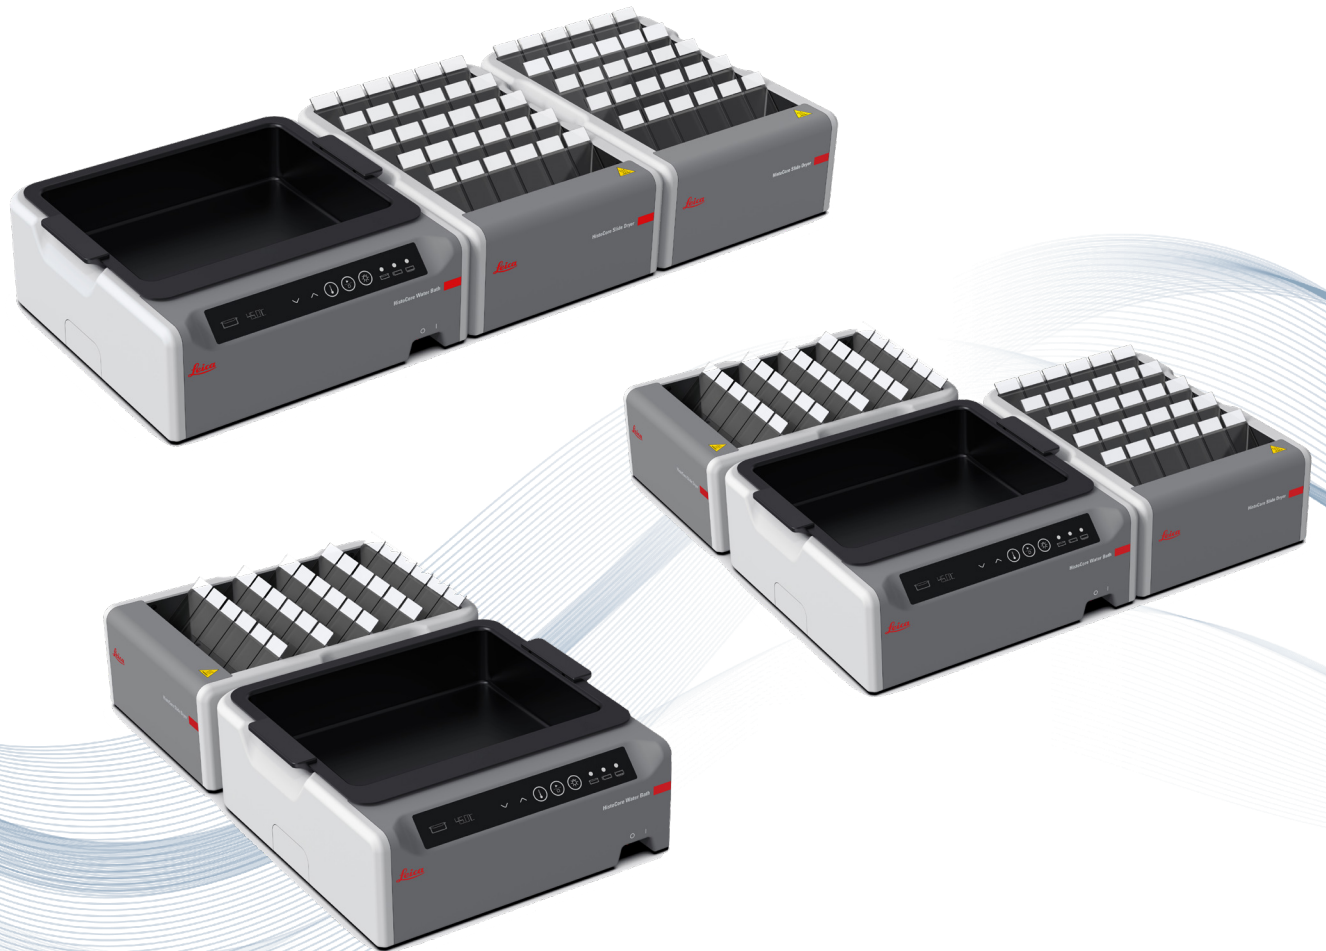

HistoCore Slide Dryer:

- Space-saving design, small footprint
- Up to 30 slides capacity
- Black rack provides good visibility and contrast
- A 45° angled and heated rack facilitates slide pick up and placement
- No need for an additional power socket, simply connect it to the HistoCore Water bath
